

about the ACADEMY

ABOUT THE ACADEMY

The Online Academy offers a virtual resource for health and fitness professionals around the world. Our LIVE virtual classroom enables rich interaction and real-time learning to enable personal trainers and related health professionals to continue to develop and excel as well as those not already qualified to retrain online.

DARREN TEBBENHAM

Our Director and Founder, Darren Tebbenham has spent his entire career in Fitness Education. As a previous lecturer in Exercise Psychology, PT in various cities across the world and teacher of motivational and exercise counselling techniques since his Masters Degree in 2000, he brings together Personal Training practice and Motivational Coaching to help you achieve success in your career and with your clients.

THE TEAM

The team at the Academy is top of its class and certainly understands what it takes to be successful. If you have a passion to be a success - talk to us, we'd love to talk to you.

Check out our monthly seminar program, become a member or attend our virtual PT conference and reap the benefits of live and interactive ongoing training. Become a personal trainer or even a Personal Fitness Coach and enjoy the advantages of the Online Academy.

VISION

Our vision is about embracing the magnificence that exists inside all of us by offering innovating and inspiring courses, seminars and conferences to really help trainers get results for their clients and a successful career in the process.

ONLINE EDUCATION & TRAINING

In the 21st Century your earning power certainly depends on your learning power. But we live in world that operates at 100 miles per hour leaving little time for personal or professional development. You are your own product and as such must engage in ongoing development. And now engaging in quality training has never been easier.

By becoming an academy member you will be able to access our monthly seminar program absolutely free for 12 months. You will also receive 15% discount off all products and resources. You will automatically receive our monthly newsletter and industry updates and you will also be able to gain access to our online PT conference at reduced rates.
